

# Gang Starr Lyrics

## "As I Read My S-A"

*[DJ Premier scratches]* "at this time I have the honor to present to you"

*[Guru]*

Paraphrased, portraying my viewpoint  
So stay attentive, cause this is a new joint  
From the G-A-N-G with the info  
Lyrical elements emerge from the intro  
Forming a poetic mass over pathetic trash  
Other writers are outclassed  
Surpassed by the words and the wit  
Rhymes fit and hit cause that's how we designed it  
Page for page, we are the new age  
Dope in the videos and dope when we're on stage  
Commanding respect with my ink pen while suckers are sinking  
as I'm keeping them thinking  
Narrating phrases of value, and I can see now you  
relate to what I create  
From back in the days of my youth, I've looked for the truth  
And yo my rhymes are the real proof  
New heights and new realms have been reached  
by use of my speech along with one of Premier's beats  
So listen and we'll show you the best way  
and then sway, as I read my S-A

*[DJ Premier cuts and scratches again]*

*[Guru]*

Worshipful words giving insight, so just be observant  
so you can get this right  
My oratory gift is abundant, so dazzling to minds  
that you should come get  
a glimpse of the one who puts wimps out of work  
The script is a mess and they dress like they're jerks  
Beyond them, is where I'll be dwellin  
The Guru will tell em, why their records ain't sellin  
Placin my fingers on the tool, I runaway all fools  
when I'm dispersin a verse  
Think of an enjoyable moment, then boogie your body  
Cause this party I own it  
The origin of this is on paper  
Vibes will ascend from my mind to each line  
I go with the flow as I show expertise  
The powers increase as my voice hits the streets  
Then gripping your soul with authority  
I pour these rhymes in a cup so drink up  
And then I might bring another round  
Watch the sound pound from the floor to the ground

And keep aware, cause we'll show you the best way  
And then sway, as I read my S-A
